Dr Dean Lusher, FBL; Mr Andrew Terhorst, Assoc Prof Dianne Bolton et al.

Approved Duration: 20-10-2015 to 31-12-2017; extended to 30-06-2018 [September 2017]; extended to 30-06-2019 [June 2018]

Modified: December 2016, September 2017, June 2018

I refer to your request to modify the approved protocol for the above project as e-mailed on 21 June 2018.

The request, concerning the extension of the project to 30/6/2019, was put to a SUHREC delegate for consideration, significantly on the basis of approval from the CSIRO HREC (ref: 010/15).

I am pleased to advise that, as modified to date, the project may continue in line with standard ethics clearance conditions previously communicated and reprinted below. Please note that information on self-auditing, progress/final reporting and modifications/additions to approved protocols can now be found on the Research Ethics Internet pages.

Please contact the Research Ethics Office if you have any queries about on-going ethics clearance, citing the project number. A copy of this e-mail should be retained as part of project record-keeping.

As before, best wishes for the project.

Yours sincerely,

Astrid Nordmann
